# Why Choose Our Lady of Lourdes?

**Our Lady of Lourdes is a thriving academic school that provides excellence in learning and personal development. From the moment your child joins our school, you are welcomed into a community built on kindness and surrounded by a vibrancy that reflects the outstanding nature of our school.**

## Academic excellence

Year on year our pupils attain at significantly above the national average. However, equally important is the fact that our pupils are well prepared for their secondary education (OFSTED 2023). Our ambitious curriculum has been personalised for our school and our children are encouraged and supported to excel. Teaching is dynamic and exciting and children are able to talk about their learning and how they are successful.

## Our Values

Our Values and Cultural Eco-System underpins everything we do. Alongside academic development, we build resilience and perseverance in all pupils. Being an aspirational school, we support and nurture every child to play an active part in our society.

## Opportunities

Our Lady of Lourdes provides the opportunity for every child to have the best start to their education. With 40+ activity clubs before and after school as well as a Breakfast and Tea Time Club, there is a buzz of activity and enthusiasm in our school. We offer a rich and broad curriculum that is further enhanced by our Art, Music, Computing and language specialist teachers as well as our own Forest School teacher.

## Outstanding Pastoral care and support

Our school community is built on kindness. The outstanding pastoral care and support provided in partnership with our families means that every child has the opportunity to succeed.
