Terms and Conditions – 2026-27

Activity Clubs

Payment is required up front to secure your club booking. Bookings and payment is managed via ParentMail.

Children are to be collected at 4.30pm promptly. Anyone who is not collected from our activity clubs on time will be charged a late fee of £10 and taken to Teatime Club where additional charges may apply depending on when the child is collected.

All Clubs are non-transferrable between children.

If your child decides that they do not like the club after attending one or more sessions, we will cancel your booking and refund you for the remaining sessions, less an Admin charge of £10 for the work involved. We are unable to refund clubs once we return for the second half term.

If there are extreme circumstances (i.e. a child has an injury that prevents them from attending a sports club) there will be no charge for the cancellation. Please note that withdrawing your child from school mid-term, and therefore clubs, WILL incur an admin charge. Again, we are unable to refund after half term.

If we do not secure a minimum number of children for each club, we may cancel the club and your payment will be refunded.

If school needs to change/cancel a club either an alternative date will be offered or payment will be refunded.
